Dear Parents, I am so excited to start a fun new year of learning and exploring. I can't wait to get to know all the kids and their fun personalities. This month we are going to be talking about feelings, sharing, caring, and getting to know our new school routines. We have a lot of theme days the first two weeks. This month we will start learning the Pledge of Allegiance. We will focus on going left to right and top to bottom when reading and writing. Your child will learn to identify their name and start writing it as well. We have lots to look forward to. It is important that we keep the lines of communication open between home and school. Please feel free to contact me using the website, [www.whitehousepreschool.com](http://www.whitehousepreschool.com). All of my information is on there. Have a wonderful month. Miss Karrie

## Happy Birthday !!
